

ForeScout Certified Administrator (FSCA)

Highlights

Certified Professionals

Designation as a fully qualified ForeScout CounterACT administrator.

Access to counteract expertise

FSCAs have access to a variety of ForeScout information repositories to grow their personal knowledge base.

FSCA Certification

ForeScout recognizes the benefit of highly skilled administrators to successfully sustain CounterACT® capabilities in complex customer environments. FSCA certification validates that a person has the expertise to successfully support CounterACT in an enterprise environment.

- **Certification Testing.** The FSCA certification test is a 120-minute on-line written exam. The test requires students to demonstrate a working knowledge of CounterACT capabilities.
- **Certification Benefits.** FSCAs are certified to have the expertise to support CounterACT in an operational environment.
